

Certification and Licensure Testing

The Certified Nurse Aide (CNA) Competency Evaluation Program

The Michigan Department of Licensing and Regulatory Affairs (LARA), Bureau of Health Professions, is responsible for the administration of the state's nurse aide program. LARA has contracted with Prometric to develop and administer its Certified Nurse Aide (CNA) Competency Evaluation Program.

Candidates wishing to schedule their CNA test need to go directly through Prometric. Click here for more information: [Prometric – Nurse Aide Testing Information](#)

Prometric
Phone: 800.752.4724

PAN – A TALX Company

M-TEC at Bay College is an authorized PAN testing center. PAN offers high volume, high-security web-based tests and assessments for a number of government agencies and other business organizations. At M-TE, PAN offers the Transportation Security Administration Screener Assessment Battery tests and a variety of United States Postal Services exams.

Candidates wishing to schedule a test offered through PAN need to schedule through the Performance Assessment Network (PAN) at [PAN Testing](#).
