

Bay West LIFE Announces First Scholarship

Bay West LIFE (Learning Is ForEver) is pleased to announce the first recipient of their recently created scholarship. Anita (Elliott) Abraham - right in the photo - will graduate in December with an Associates of Applied Technology Degree - Medical Specialty. Abraham is a graduate of Iron Mountain High School, who returned to school due to circumstances in her life, realizing that she needed to further her education. She is the parent of two grown children and 2 grandchildren. Her daughter is a student at NMU. She represents the philosophy of Bay West LIFE that we should all be Lifelong Learners.
