

GREENHOUSE NATIVE PLANT & GARDEN VEGETABLE SALE

Once again, the Bay College greenhouse will be selling native plant seedlings and garden starts as a fundraiser. Proceeds this year will go to support the continuing operation of the greenhouse.

For updates & further information, contact Brian Black: blackb@baycollege.edu or 786-5802 x1161.

The sale is scheduled for final exam week, **Monday, April 28 to Friday, May 2, 9AM-5PM** at the greenhouse (room 105) in the Science and Math Building at the College. Plants will also be sold after graduation on **Saturday May 3rd (~Noon-2)**

Pricing varies, but expect to pay \$15-20 per flat or \$0.50 - \$3 per individually potted plant. The following seed has been planted. Quantities of some species are likely to be limited.

HERBS & VEGETABLES

Tomato - Siberia, Roma, Rutgers, Bush Early Girl, & Viva Italia
