

Associate in Arts

Network Administration

Year 1

1st Semester			Credit	Contact	√
CNSS	130	Introduction to Networks	4	4	
CNSS	150	Aplus Computer Maintenance	4	6	
ENGL	101	Rhetoric and Composition	3	3	
HUMN	003	Humanities Elective 3 Credit	3	3	
Total Hours:			14	16	

2nd Semester			Credit	Contact	√
NSCI	004	Natural Science/Science Elective 4	4	4	
CNSS	230	Introduction to Unix Using Linux	4	4	
COMM	003	Communication Elective 3 Credit	3	3	
MATH	210	Introduction to Statistics	4	4	
SBS	003	Social Behavioral Science Elective	3	3	
Total Hours:			18	18	

Year 2

3rd Semester			Credit	Contact	√
CNSS	231	Adv Linux System Administration	4	4	
CNSS	250	Windows Networking I	4	4	
HUMN	003	Humanities Elective 3 Credit	3	3	
MATH	110	College Algebra	4	4	
APRVE	003	Approved Elective 3 Credit	3	3	
Total Hours:			18	18	

4th Semester			Credit	Contact	√
NSCI	004	Natural Science/Science Elective 4	4	4	
CNSS	251	Windows Networking II	4	4	
CSCI	122	C++ Programming II	4	4	
SBS	003	Social Behavioral Science Elective	3	3	
Total Hours:			15	15	

Program Total:	65	67
-----------------------	-----------	-----------

Communication Electives: COMM 103, COMM 104, ENGL 102, ENGL 145.

Approved Electives: (Choose a minimum of 3 credits) BUSN 160 (3), BUSN 195 (3), CIS 103 (4), CIS 140 (3), CIS 210 (3), CNSS 220 (4), CNSS 260 (4), CNSS 272 (3), CSCI 121 (3).

Humanities Electives: Students must choose courses in Social & Behavioral Sciences and Humanities from two different subject areas to meet the MTA requirement. See your academic advisor for details.

Natural Science Electives: Students must choose two natural science courses from two different subject areas to meet the MTA requirement, and at least one must be a lab science course. See your academic advisor for details.

Social Science Electives: Students must choose courses in Social & Behavioral Sciences and Humanities from two different subject areas to meet the MTA requirement. See your academic advisor for details.

Note: Students must pass a criminal background check for co-op courses (CNSS 272).

This map is intended to be used in conjunction with your academic advisor.
