## Associate in Arts Degree

### Why Sociology?

Sociology examines the social, cultural, and historical influences that shape our lives and the world in which we live.

### Why Bay College?

The Sociology program at Bay College provides students with a perspective that allows them to consider the "bigger picture" of society and their place within it. Students majoring in Sociology should follow the Associate in Arts degree before transferring to pursue a bachelor's degree. Below are topics commonly found in most sociology courses:
